

IMPORTANT INSTRUCTIONS

All India Masters Ranking Badminton Tournament in Goa

1. Fit to Play Undertaking Permitted instead of Doctors Certificate

As informed by BAI Secretary Events Omar Rashid, the Fit to Play Doctor's Certificate is recommended but not compulsory to produce. If players are unable to produce same, there will be an Undertaking Format at the venue which will need to be signed and submitted to the organisers, mentioning that the player is Fit to Play.

2. Medal winners of Masters Nationals and All India Ranking tournaments will be featured on our promos. Masters players who've won Gold, Silver and Bronze during last few years are requested to send one or two images of theirs (preferably with badminton racket - standing pose or in action) and DM it to Sandeep Heble @ 9326129171 via whatsapp, by Sep 14. Mention your name, State and medal won.

Regards
- Sandeep Heble
